US Presidential Campain n°4.

This is the last et not the least of this campain, America will vote for his president on tuesday.
Barack Obama joins forces with Joe Biden in Michigan on the final weekend before the 3 November US election.

Donald Trump meanwhile will target the crucial battleground state of Pennsylvania on Saturday.

Nearly 90 million people have already voted ahead of election day on Tuesday.

The country is course for its highest electoral turnout rate in more than a century.

On Friday the US once again broke its daily coronavirus record with more than 94,000 new cases.

Latest polls show bidden winner, but five years ago, hilary Clinton.

Was the favorite for the same polls and lost the elections.

The white house is ready for a second stay of trump family or a new bidden.

Everybody is now very impatient.
